

## 11 DRAFT PROGRAM EIR/EIS DISTRIBUTION

The statewide distribution of the Draft Program EIR/EIS emphasizes the use of electronic media to insure cost-effective, broad availability to the public and interested parties. The entire Draft Program EIR/EIS, appendices, and supporting reports are available on the Internet at the Authority's Web site ([www.cahighspeedrail.ca.gov/eis\\_eir/](http://www.cahighspeedrail.ca.gov/eis_eir/)). The Draft Program EIR/EIS is also on display at the repositories listed below. Electronic compact disc copies of the document are available upon request at the office of the California High Speed Rail Authority, 925 I Street, Suite 1425, Sacramento, CA 95814.

All persons, agencies, and organizations listed in this chapter have been informed of the availability of and locations to obtain the Draft Program EIR/EIS, as well as the timing of the 90-day formal comment period. Repositories and cooperating federal agencies were sent both hard and electronic copies of the Draft Program EIR/EIS and appendices. Other federal agencies, state agencies, and selected interested parties listed below have received summary chapters and electronic copies of the Draft Program EIR/EIS. Federal, state, and county elected officials, mayors of cities with possible stations, and potentially affected local agencies listed below were mailed an informational brochure and instructions about how to get a copy of the Draft Program EIR/EIS. Additional local elected officials and agency representatives, along with all others on the project mailing list (approximately 15,000 contacts), have been mailed a notification that includes information about how to access the Draft Program EIR/EIS and timing for the formal comment period. Subsequent notices will be mailed regarding public hearing dates, times, and locations.
